

## **SALINA SAMS**

May Creech

Another wonderful summer of camping and socializing with friends has ended as we put our rigs to bed for the winter. We will continue to keep in touch with our monthly dinners throughout the winter as we await the first campout in April.

April found us in Minneapolis with 4 rigs and daytime visits from other members. The clubhouse kept us warm during visiting and games. We watched the children enjoying the city-wide Easter egg pickup on Saturday. In May we went to Rocky Pond in Bellville with 4 rigs. We visited the Republic County museum and the Boyer Gallery where we saw animated figures in motion. June took us to Spring Lake RV Resort in Halstead with 6 rigs.

In July we camped at 4 Seasons in Abilene with 4 rigs attending. We ate in three restaurants in Abilene, but a highlight was our Saturday potluck held at the home of Paul and Phyllis VanOvershelde in rural Abilene.

The August campout was cancelled due to heat but in September 3 rigs went to Kanopolis Lake and 12 other members joined us for the meeting there. We were glad to see the lake opened for campers after flooding. 3 rigs went to Ellis in October and had a good campout despite the cooler temperatures. We enjoyed the Sternberg Museum, the Railroad Museum and the art fair in Ellis. Now we are looking forward to monthly meetings held in local restaurants during the winter months.

Happy Trails
