

WICHITA GOOD SAMS

George Ground

The Wichita Good Sams Club meets each month on the 3rd Wednesday.

President George Ground leads the meeting after lunch.

No one has contracted Covid-19 in our club. So far we are blessed. Very scary!

The campers are winterized and we are waiting for warmer weather to go camping. One of our favorite places to go is Oxford, Kansas.

We lost two members last year; Dean Marshall and Larry Bond.
